

Be a part of the legislative process, by stopping bad bills and supporting good ones. It is important to sign up for legislative updates and newsletters from both sides of the isle. The democrats are not shy about telling us about bad legislation they intend to pass. PCP's can share this information with their constituents in their precincts. Here is a "how to" guide on searching, tracking and providing testimony on bills.

Here is the link to the recent newsletter from Representative Mark Owens, who is the rep for House District 60 (Baker, Grant, Harney, Lake and Malheur Counties, and parts of Deschutes County):
